25X1

- b. After completing the course the training group for light mortars went through a firing practice of three or four days in VARPALOTA (P 48/D 89).
- c. The students returned to their former units or more transferred to training units in VARPALOTA and RILISCHABA (, 48/H 34).
- d. The training gourse was supervised by Genmaior Kalman REVAY. Gol. Istvan OTTA conducted the political training.
- 4. a. In lovember 1:48 the Training Section of the Finistry of Sational Defense issued an order for the advanced military training of officers and MCOs, itemized as to infantry, artillery, border guards, training units and recruiting offices. According to the order, the personnel of the recruiting offices had to acquire knowledge of Soviet weapons and new Soviet combat doctrines and to spread the Communist ideology.
 - b. Personnel of the recruiting offices in the PECS (Y 5/B 22) 10D were trained once a week in accordance with the mentioned order, starting in December 1948.

25X1	Comment

In view of the first large-scale shipments of Soviet material delivered to languary in the summer of 1948, the information on the training with Soviet weapons seems credible. **
